All classes that say "**PERFORMANCE**" or "**SHOWCASE**" are NOT considered TECHNIQUE and must have approval from the instructor to attend. All these classes require a special commitment once teacher approval is given. Please see front desk to inquire about or get more information regarding these classes.

Please abide by the age and level limitations on the schedule. If you are unsure about a particular class, the staff is eager to help place your child in a class that will help them grow. Special circumstances may apply, so please consult with your teacher or the staff for assistance in placing your child where he or she is most suited.

**Classes highlighted in grey are restricted classes.** COMPANY CLASSES are closed to students who are on the 2012 SDDC Competition Team. SHOWCASE & PERFORMANCE classes can be attended with instructors approval. They also require a higher level of commitment.

**Please note: Unexpected schedule changes may occur in order to accommodate the most students successfully.**
